Integrated Math 1 covers topics from Algebra 1 & 2, Geometry, and Statistics. After completion of the course students are expected to:

- Communicate effectively through discussion
- Work collaboratively to learn from each other
- Prepare for Integrated Mathematics II
- Compute problems with and without technology and in a variety of manners
- Develop skills to be better independent learners

Suggested Materials:

- Textbook - 3 Ring Binder or Spiral Notebook
 - Pencils/Erasers/Pen - Lined Paper

Please check Google Classroom daily to make sure that your work is complete and up to date in all of your classes.

Grading Scale

A	90 – 100%
B	80 – 89.99%
C	70 – 79.99%
D	60 – 69.99%
F	0 – 59.99%

Grading Categories

Mastery	50%
<i>Assignments and assessments that are graded for accuracy.</i>	
Coursework	50%
<i>Assignments, assessments and participation that are graded for accuracy.</i>	

Virtual Classroom Norms:

1. Be on time - log in 5 minutes early.
2. Be ready with all necessary materials.
3. Keep your mic off, except when called on.
4. Be mindful of your location and background.
5. Be mindful of your language and choices.
Remember that inappropriate jokes, screen shots, and sharing of links are not acceptable.
6. Be dressed appropriately. Dress yourself as if you are in a classroom.
7. Keep cell phones, TVs, and other media off or away while in class.
8. Restroom and snack breaks should happen during teacher-designated times.
9. Participation is mandatory. Use the chat, raise your hand, and contribute to class discussions when appropriate.

Consequences:

1. Warning(s)
2. Counseling
3. Parent contact
4. Active Modification (ex: removed from class)
5. Referral submitted to assistant principal for administrative discipline

Note: Extremely inappropriate and/or disruptive behavior will not follow this procedure. They may require an immediate referral.

All students are expected to complete their work for this class and to remain engaged during class time.
